

AMERICAN ARTISTS IN PARIS.

THEY WILL BE CONSPICUOUS IN THE SALON OF 1888.

All things in their studios with the finishing touches...

In shifting in from the little window behind her...

being one of the best painters of marine subjects in France...

SOME LADIES WHO FENCE.

NELLIE BLY TAKES A HAND AT FOLLS AND LIKES THE EXERCISE.

It looks very easy, but isn't—Women cleverer than men...

still in the etched position bring the fall down with the right hand...

He won't be happy till he gets it!

Paris, Feb. 23. The Salon of 1888 is being manifested in the ateliers of Paris...

Mr. Henry Mosler has by his career given the lie to the definition of the genre...

Mr. F. W. Stokes is another of the artists who pass most of their time in the picturesque village of the Normans...

There are a great number of women at the present time engaged in learning the art of fencing...

There are a great number of women at the present time engaged in learning the art of fencing...

ALL LOCOMOTIVES TO TIE-UP TO-DAY

Would be a startling order from Chief Arthur, but more startling and more terribly destructive to human life...

COTTON-SEED'S ROMANCE.

The Story of Its Rise in Agricultural Importance Reads Like a Fairy Tale.

Handing Snow in Vienna.

Yesterday morning Vienna witnessed the heaviest snowfall during this severe winter.

A Novelist's Wasted Youth.

Opie Reed, author of 'The Archer' and 'The Frigate and the Heroine'...

MUCH ADO ABOUT SOMETHING.

Bobbing Julia—'Oh, dear! Mrs. Webster, I'm in despair, I despair.'

I took occasion, in the course of my various interviews, to ascertain what is the feeling in the American colony...

Mr. J. M. Stewart is eminently an artist of society, his home in the Rue Copernic is as daily a prima donna's hotel...

Mr. Charles Danforth, of Boston, who settled in Paris in 1855, has regularly exhibited since then...
