

SHOULD WOMEN PROPOSE? NELLIE BLY ADVANCES ARGUMENTS IN THE AFFIRMATIVE.

Should women propose? This is the question that has been on the minds of many of our readers since the publication of my story "The Trials of a Woman" in the Standard. It is a question that is becoming more and more important in these days of emancipation and self-help for women.

What makes a woman propose? It is a question that has been asked by many of our readers. I have had many letters from women who are wondering whether it is proper for them to do so. I will try to answer these questions as far as I can.
